

Archipelago ~DANUBE~

Juraj Tedla
programme manager
DANUBE FUND (Central European Foundation)

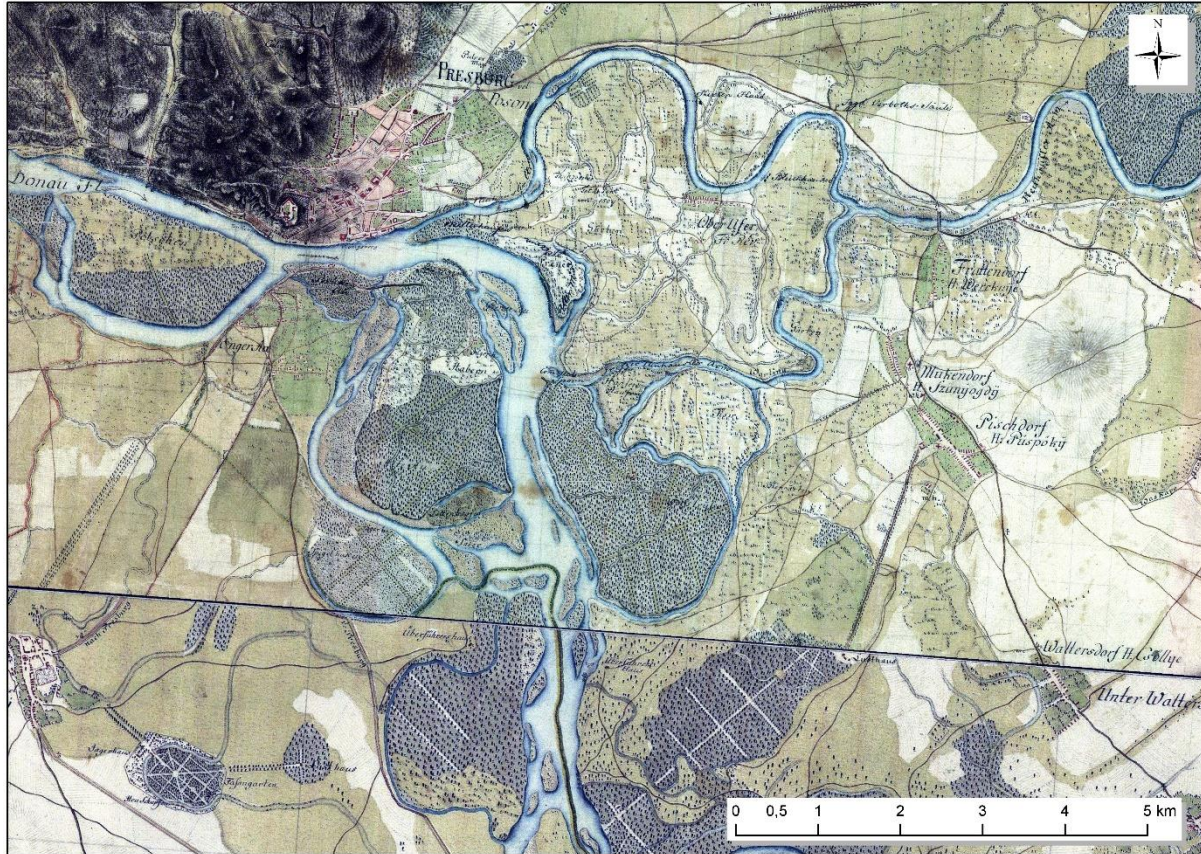

Connecting

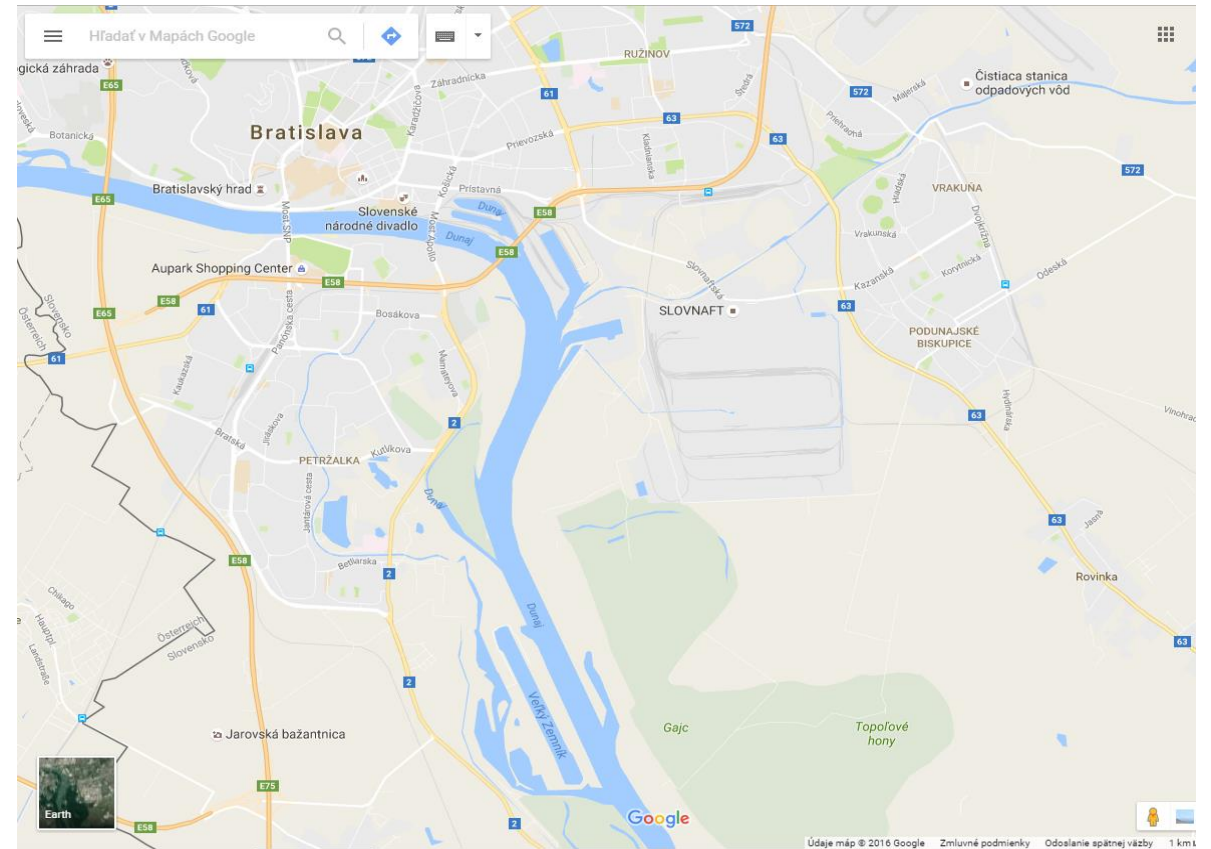

nonprofit/non-governmental
public sector
business

for better **quality of life**
on the river

From fragmented archipelago...

...to compact area...

... still searching for common vision.

Danube Fund pools resources for

- closer contact with the river
- richer life on the river
- more comfortable movement along the river
- better connection with wider neighbourhood
- keeping the balance of activities

Grants for nonprofit organisations

Annual forum for stakeholders in the area

„Solstice on the Danube“

chain of events opening river banks and the river to the public

„RiverLab“ working groups
searching for consensus
and solutions
